Either party may terminate the agreement by giving the other party three months notice of termination.

Through SCCTC, TVPL will be able to provide its medical oncologists to attend to patients in Vietnam, provide clinical advice to local medical oncologists working at SCCTC as well as the setting up of SCCTC. This arrangement enables TVPL to leverage on TCH's in-depth knowledge of the Vietnamese market, its hospital infrastructure in place and its team of medical oncologists to serve patients in Vietnam. In addition, it also provides an avenue to channel patients from Vietnam preferring to seek treatment in Singapore through Parkway Cancer Centre, Singapore Cancer Centre's partner in Singapore.
